MACHLI (FISH) BLEND

HOW TO USE

From shellfish to fillets of fish, our fish spice blend will help to enhance seafood.

Raised on Orkney and inspired by a family trip to Kerala, this family recipe spice blend is a must have for any seafood lover

WHAT IS IT?

Made using a blend of 11 ground spices, hand blended in perfect proportions. We use traditional flavours such as dried pomegranate to give that tangy citrus flavour that pairs perfectly with seafood.
